Dear Dr. Ellsberg:

You'll be interested to know that FAMOUS FACES was the June selection of the Nostalgia Book Club and has received extraordinary rave reviews. Gore Vidal has called Arnold Weissberger, "the Proust of American Photographers." Gene Shalit on the Today Show said that reading it was "like eating salted peanuts. Once you start looking, you just can't stop." Jacqueline Susann called it "a dazzling book -- a fascinating photographic chronicle of the great faces and talents of our age."

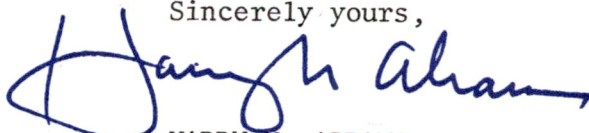

Many of you "great faces and talents" have already purchased copies for friends who have responded with complete delight. And so many more have inquired about getting additional copies for Christmas gift giving that Arnold has asked us to make the book available to you at a reduced price.

The retail price is \$35.00 but, while our supply lasts, we will fill your orders at these special savings:

1-3	copies	\$25.00.... <u>you save \$10 per copy</u>
4-7	copies	\$23.00.... <u>you save \$12 per copy</u>
8-15	copies	\$20.00.... <u>you save \$15 per copy</u>
16 or more		\$18.00.... <u>you save \$17 per copy</u>

If you will send us your gift cards and addresses with your check, we will send out the book with your card enclosed, or we can send the books directly to you, whichever you prefer.

Sincerely yours,

HARRY N. ABRAMS
